CORE

YOU DON'T NEED TO KNOW WHO I AM.

JUST KNOW WHAT I FEEL.

KISS ME WRONG

DEBUT ALBUM / SEVEN TRACKS

Alternative R&B / Dark Pop / Electronic

THE IDENTITY IS HIDDEN. THE EMOTION ISN'T.

THE ARTIST

CORE

There are things CORE wants to say.

An explanation of who CORE is isn't one of them.

Operating within the creative world of Core Music London, CORE draws on the atmosphere of cities after dark: headlights in the rain, a room after someone leaves, the space between holding on and letting go.

The sound moves between alternative R&B, dark pop, electronic production and trap-soul touches. The voice can be intimate, controlled, confrontational and unexpectedly vulnerable.

These songs circle desire, loyalty, regret, freedom and the cost of being understood. The mystery is not a riddle to solve. It is room for the listener's own story.

PRESS BIO / SHORT FORM

CORE makes music for what is difficult to say out loud. Moving between alternative R&B, dark pop and electronic textures, the songs deal in desire, distance, memory and the things we carry long after a moment has passed. CORE lets the music speak before the biography.
